

M/Y HELIX

O/N 743614 Port of Registry Georgetown, Cayman Islands

20 March 2013

To whom this may concern:

Motor yacht **Helix** is a 145ft tri deck Royal Van Lent, Feadship. Launched in September 2011, it is currently cruising the world on a Feadship promotional tour, visiting S.E. Asia from February 2012 to March 2013.

It is with great pleasure that I can recommend Scott Walker of Asia Super Yachts for all your yachting requirements whilst visiting Singapore.

I would like to thank Scott for personally taking care of our immigration, customs, cruising permits, dockage, bunkering and all our provisioning needs whilst being based out of Singapore. He also arranged a local shipyard to assist us in a generator exhaust mounting refit, which would have been impossible to achieve without his help.

We found Scott and his lovely wife Joan to be extremely competent and an absolute pleasure to work with and without his extensive expertise and local knowledge we would have been very lost indeed.

I hope to work with them again and be able to re-visit their beautiful Island of Singapore in the not so distant future.

Yours Sincerely,

Captain Philip Burgess
