Dear Mr Rathnam

Thank you for arranging our visit on the yacht UM HURAIR to the Andaman Islands. Having travelled to India with the vessel previously we were dreading the thought of customs and immigration clearance. Your guidance notes regarding paperwork were extremely useful and allowed us to arrange all the necessary documentation at a leisurely pace prior to our arrival. Your company also handled our many requests with great efficiency and our entire time in the region ran extremely smoothly. On behalf of the guests, crew and myself I would like to thank you and your company. I will definitely use your services again and recommend you to other vessels venturing to your islands.

Best Regards

Mark Hol
