The Land of Smiles is characterised by the warm, hospitable people and myriad islands with endless coves and beaches you can claim all to yourself.

Most charterers focus on the Andaman Sea region, mandarins to the island of Phuket and Koh Phangan, locales where significant weather from November until March can cause hazards to the sailing routes of the Sundar and Similan Islands.

A stretch in the Gulf of Thailand off the western coast of Thailand. Koh Samui is part of an archipelago of more than 80 islands in the South China Sea. Five exotically exotic, way exotic macro climatic and weather are endemic to this part of the world. This is the perfect cruising weather from April to October.
